pure PDGF⁺
pure CONFIDENCE

For healthier, younger-looking,
and more vibrant skin

See the power
of nature itself

The next generation of
skin rejuvenation is here

Can be used after a variety of skin services:
Microneedling, RF microneedling,
laser, and peels.

ariessence pure **PDGF+** is powered by **PDGF**,
the only proven growth factor in aesthetics.*
Nothing else comes close!

ariessence pure **PDGF+** topical solution
combines the benefits of one of the body's
most powerful proteins for skin rejuvenation,
platelet-derived growth factor (**PDGF**), with
the soothing hydration of hyaluronic acid.

Noticeable benefits

Less
downtime

Most sterile, safe,
potent growth factor
available in aesthetics.

No
blood draw

No human-to-human
contamination

Improved appearance of skin
texture, wrinkles, and pore size

“ ariessence enhances patient satisfaction
and leads to beautiful outcomes. We have
found that our patients are excited to be
offered a product that will improve their post-
procedure appearance, enhance recovery,
and ALSO improve results. It's a win-win and
a **game changer** for me and my patients! **”**

- Dr. Lynn Nieman, MD
